

Maple Avenue Elementary School

Baked Goods Policy

The Maple Avenue School Quality Council (SQC) instituted a Baked Goods Policy for our school in November 2002. The policy became necessary due to health concerns brought to our attention, as there are a number of children in our school who have specific food allergies. To comply with the Niagara Falls City School District's Wellness Policy adopted in May 2006, the policy has been updated for September 2011.

The policy requires that only store bought items, preferably with ingredients listed, be brought to school for parties and classroom celebrations. When originally instituting the policy, we surveyed parents and received close to 100 positive responses from parents saying they could support a Baked Goods Policy at Maple Avenue School.

The following is a guide to assist you in purchasing items to send to school for classroom consumption and is not meant to limit your choices. **However, any item with any kind of nuts or peanut butter is not allowed!**

Please call the school at 278-9140 if you have any questions.
