From The Desk of Mr. Merino:

Dear Parents and Guardians,

The ten week marking period is quickly coming to a close. I urge parents to please attend our **Parent Teacher conferences on November 7th**. Call our main office at 278-5860 to make an appointment. It is absolutely critical that parents, teachers, and students meet regularly to discuss how students are progressing, and what parents can do to support learning. When teachers, parents, students, and administration are all on the same page students will excel in school! If you are unable to make it on November 7th, please let us know and we will make arrangements to meet with you on a different day and time.

Sincerely,
Principal Mr. Merino

Bus Transportation

If your child is a bus student and you don't want your child to take the bus home on a particular day, you are required to send in a note stating that your son/daughter will not be taking the bus on (date) only.

Also, every student will be dropped off at his or hers designated stop only, unless the bus company has sent us notification.

Again, "no note" and your child will be automatically placed on their bus.

Thank You!
