Dear Parent/Guardian:

In order to provide your child with every opportunity to be successful in his/her classes and on the New York State exams, LaSalle Preparatory School has initiated a structured after school review program that will begin on October 29th, 2018. This program is for all students to review and strengthen skills that are being taught in core classes: (English, math, science, and social studies.) The program will not focus on homework or classwork completion; but rather on actual classroom instruction, where a certified teacher will facilitate a lesson each day. All students will meet with their instructors from each core area on a pre-scheduled day of the week in a small group setting from 2:25 PM until 3:25 PM. Each child will receive a free, healthy snack and drink from our cafeteria during review. In addition, we will provide transportation home on the 3:30 PM late bus.

Please have your child return this sheet to the Student Services Office in room 106. If you have any questions, please contact Mr. Ruffolo or Mr. Briglio at 278-5885. Thanks for your support!
