RGS#1 – Logging into Microsoft 365 (Computer)

LOGGING INTO MICROSOFT 365 THROUGH CLEVER (Recommended for Grades K-8)

Clever is a personalized portal which gives students a single sign-on to all their digital resources

Step 1: Go to www.clever.com and login using your student ID as your username AND password

Step 2: Find and click on the **Teams App**. The first time you click on Teams, it will ask for your credentials – the same credentials you use to get username and password for a school computer. After logging in the first time, Clever will remember your credentials for the future.

Step 3: The **Teams App** will allow you to view class assignments, talk with your teacher, meet as a class, and receive assistance.

Step 4: The remainder of online resources can be accessed the same way via Clever.

LOGGING DIRECTLY INTO MICROSOFT 365 FROM ANY COMPUTER

Step 1: Open either browser:

Microsoft Edge  or Google Chrome 

Please do **NOT** use Internet Explorer 

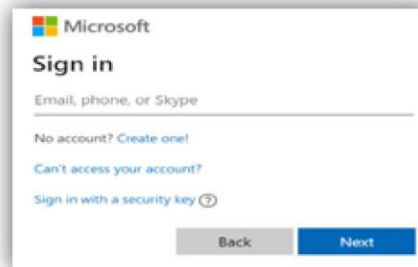

Step 2: Search for www.office.com

Step 3: Sign in with your school computer login and ADD @nfschools.net on the end – see below
(Example mpjones@nfschools.net)

Your password is your computer password you use at school.

If your username or password does not work, please reach out to: mcacciatore@nfschools.net

Step 4: Your screen should look like this

Step 5: Click on the **Teams App**. This will open your list of class Teams. Select a Team to view class assignments, talk with your teacher, meet with the class, and receive assistance.

RGP#1 – What does my student need to sign in to Office 365?

Your student’s learning can happen anywhere with our Office 365 online platform. Your child’s core subjects and class discussions will happen within this platform. The guidance below is meant to introduce some of the many possibilities for remote student learning using Office 365.

Sign in to Teams

1. Open [Office.com](https://office.com) and sign in with your school email and password.
2. From your Office.com homepage, click on the **Teams** app to open right in your browser.
3. Select **Teams**  in to see which class teams you’re in. If your teacher has already set up the class team and added you, you’ll see one or more (depending on how many classes you have) class team tiles.
4. When you see your class tile, click on one to start connecting with your teacher and classmates.

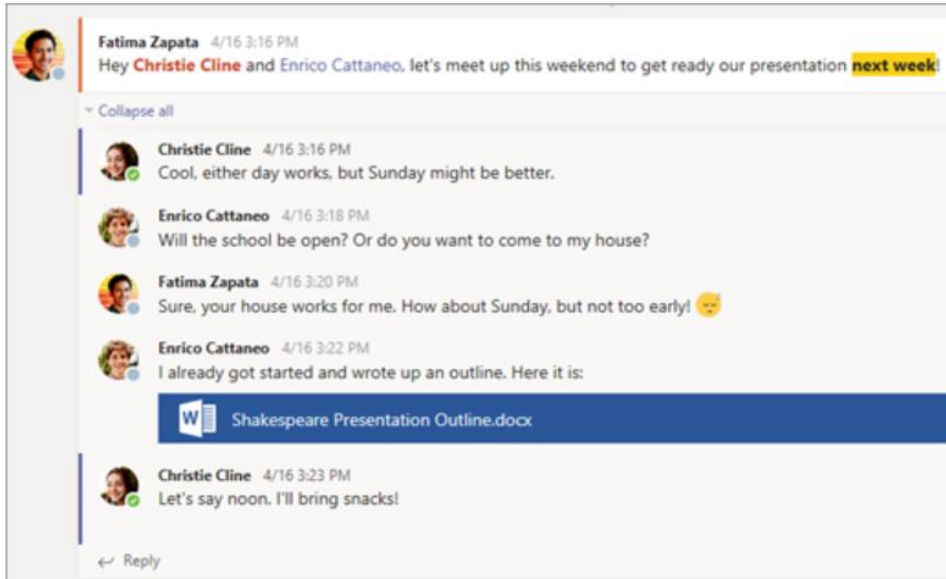

Please go to <https://bit.ly/officeintro> to watch a 2 minute overview video of Teams

RGP#2 – How will my student communicate with their teachers and classmates?

Using Teams! Teams is an online classroom hub, where your student can chat with their whole class, in groups with other students, and one-on-one with their teachers. Through Teams, your student can also make video calls.

Tip: Read more with your student about [communicating in Teams](#).

Each of your student's classes (if they have more than one) gets its own team, which is set up by a teacher or an IT Admin.

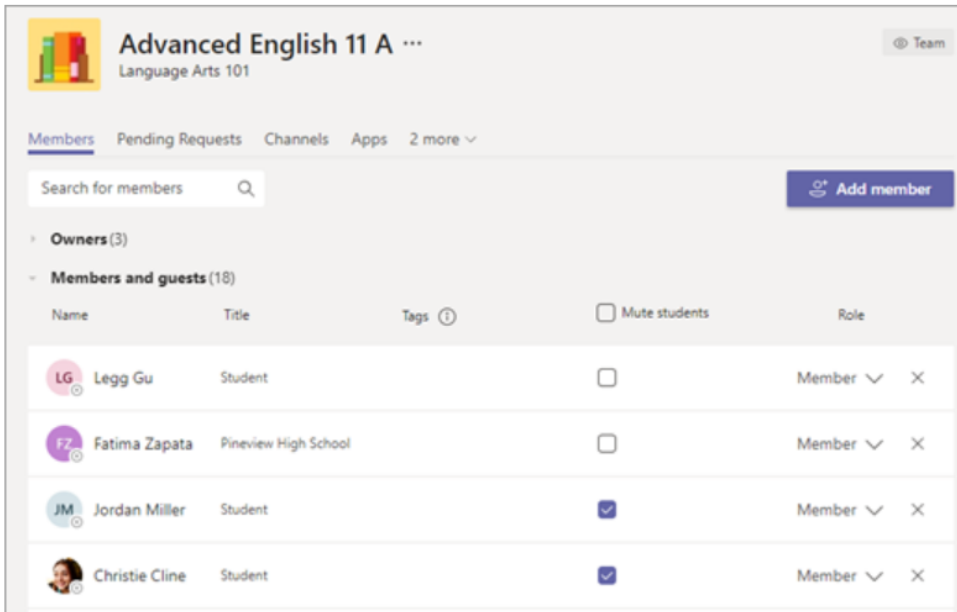

Reference Guide for Parents

RGP#3 – How is my student’s communication and activity monitored in Teams?

Since Teams for Education is designed to serve as a digital classroom hub, it features many ways to support teachers in classroom management. Teachers can mute students who may add distracting or inappropriate messages to group discussions, and they can delete those unproductive messages entirely.

As a communication platform with specific features to support teaching and learning, Teams is a great opportunity for students to build and practice digital citizenship alongside their academic learning.

RGP#4 – Is Teams simply a chat app, or can my student study, work, and complete assessments there as well? (1 of 2)

With the **Assignments** app built right into Teams, your student can see work their teachers have assigned them, submit that work, and see their grades and feedback.

Tip: Learn more with your student about [collaborating and creating great work in Teams](#).

RGP#4 – Is Teams simply a chat app, or can my student study, work, and complete assessments there as well? (2 of 2)

For other ongoing work, every class team has a **Class Notebook**, where your student has their own private notebook space to take notes, reference resources, and even practice math equations!

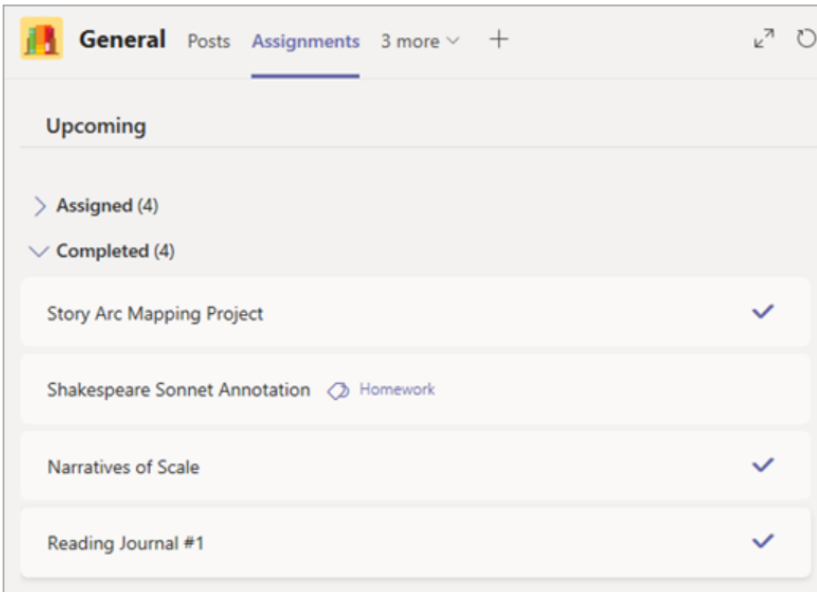

Students can find both **Assignments** and **Class Notebook** as tabs in the **General** channel of each of their class teams.

Reference Guide for Parents

RGP#5 – How does my student turn in assignments using Teams?

Students can turn in their assignments by navigating to the **Assignments** tab in the **General** channel of their class team, then selecting an assignment. They can attach any appropriate work and select **Turn in**.

Students can read more [here](#) about keeping track of and turning in assignments.

Reference Guide for Parents

RGP#6 – Can they check their grades in Teams?

Students can see grades for their assignments, too! In the same **General** channel where they'll find their **Assignments** and other essential tabs, your student can select **Grades** to see their points on past work. [Read more](#) about how students can navigate their grades.
