Date: _____

Club Descriptions & Information			
Club	Teacher	Location	Description
Anything is Pawsible	Ms. Battaglia	Room 220B	The club is a social emotional club that is open to all student and staff. The club meetings will be centered around a restorative circle and feature my therapy dog Domino. Each meeting will have a circle to help student build relationships, and have a safe space amongst peers/ staff.
Art with Heart	Miss. Laura	Room 313	Introduction to Art Journaling! Each participant will receive their own art journal and use different types of art and media to explore feelings around many topics including friendship, family, stress, being a teen and more.
Coding Club	Ms. DalPorto	Room 119	Can your robot do what it needs? Come work with your teammates to perfect your robot's coding!
Craft Club	Ms. Lutey	Room 305	A time to put your creativity to good use. Create crafts representing the different seasons and holidays. A time to share your crafting hobbies with other students.
Cursive Club	Mrs. Sperry	Room 311	Cursive is alive and well at LPS! Join Mrs. Sperry to learn the art of cursive writing.
Digital Literacy	Ms. Sperry	Room 311	Work with students from GPS and Niagara University to improve your literacy skills and prepare for life after high school!
Dodgeball Club	Mr. DeRosa	1 st Floor Gym	Be prepared to move! Dodgeball is an intense activity that offers a great workout. Students are expected to respect the rules of the game, work as a team, and most importantly, have fun!
Game Club	Mr. Colson	Room 210	We will be playing a diverse collection of group games and board games in this club! This will be a chance to have fun, laugh a lot, and engage in some healthy competition!
Girls Circle	Miss. Freiburger	Room 101	Girls Circle, Girls Circle provides a safe place for girls to build positive connections with other girls within the circle, while discussing important topics like self-esteem, body image, friendships, relationships, coping skills, and goal setting.
Puzzle Club	Miss. Laura	Room 313	Puzzle club is an opportunity to show your skills in completing jigsaw puzzles or work on building a new skill! Jigsaw puzzles can be both calming and a way to build your focus and attention. Students will work together to complete 500-2000 piece puzzles.
Recycle, Grow, & Give	Mrs. Mannarino	Room 211	Do you want to grow your own presents this year for the holidays? Looking for students who want to upcycle, beautify our school, and produce thoughtful gifts for others at home and in our school community. Be prepared to get a little dirty!
Robotics	Mr. McGrath & Mr. Wisniewski	Room 119	Want to design your own robot, build that robot and then program it to complete an engineering challenge? Students will work in teams to build and program robots and use them to compete with teams across the country.
Spy Kids	Miss. Laura	Room 313	In Spy Kids you will be learning a number of different skills such as fingerprinting, solving secret codes, stealth, and suspect identification. After learning your skills you will be tasked with solving a missing persons case, escaping from an escape room, and playing a live version of Among Us.
Walking Club	Mrs. Franke	Room 301	Walking Club is more than walking! Come get some physical activity, meet new people, play music, have discussions and get a snack! Did you know walking for just 15 minutes helps to de-stress and clear your mind?
