

MUSIC THEORY I - MUS430 – NIAGARA FALLS HIGH SCHOOL

OVERVIEW OF UNITS OF STUDY AND TOPICS	
<p>Unit I</p> <p>Basic Music Comprehension Skills</p> <p>20 Weeks</p>	<p>Topic 1: Notation - Rhythmic & Melodic</p> <p>Topic 2: Meter & Time Signatures</p> <p>Topic 3: Scales: Major, Chromatic</p> <p>Topic 4: Key Signatures & the Circle of 5ths</p> <p>Topic 5: Terminology</p> <p>Topic 6: Intervals</p> <p>Topic 7: Aural Skills - Ear Training, Sight Singing, Rhythmic and Melodic Dictation</p>
<p>Unit 2</p> <p>Intermediate Music Comprehension Skills</p> <p>20 Weeks</p>	<p>Topic 1: Triads and Inversions</p> <p>Topic 2: Seventh Chords and Inversions, Augmented & Diminished Triads</p> <p>Topic 3: Alternate Scale Construction</p> <p>Topic 4: Figured Bass</p> <p>Topic 5: Minor Tonality, Triads, Scales, Progressions</p> <p>Topic 6: Modes</p> <p>Topic 7: Harmonizing & Composing in Major & Minor</p> <p>Topic 8: Basic Forms of Music</p> <p>Topic 9: Aural Skills: Dictation and Sight- Singing</p>

Essential Curriculum Questions:

1. How is music presented in written form?
2. How is tonality presented in written form?
3. How does the music heard aurally translate into written form?
4. How does specific music terminology assist the student in the comprehension of music theory?

Enduring Understanding:

1. Music utilizes a symbolic notation on staves to indicate duration and pitch of sound.
2. Music tonality is created through combinations of whole & half steps which create scale patterns (ie major & minor) and can be represented by key signatures.
3. Aural skills will be introduced and subsequently acquired through progressively more difficult sight singing practice, rhythmic & melodic dictation examples, and recognition of intervals.
4. The Music Lexicon will be introduced and re-enforced throughout the curriculum: terms pertaining to intervals, scales, rhythm and meter, texture, and musical performance combine to become the foundation of understanding the language of music theory.
5. Music Compositions: demonstrate music literacy, synthesizing student comprehension and expression
6. Through a variety of written, visual, and aural examples, students will recognize standard conventions of music notation and utilize these devices to create their own examples to further demonstrate understanding.
7. Ear training, melodic dictation, sight singing, and rhythmic dictation will accompany each unit and topic and will be ongoing throughout each unit.

NOTATION (MELODIC)				
CONCEPTS	SKILLS/PRACTICES	SUGGESTED ASSESSMENTS BENCHMARKS	NYS STANDARDS	SUGGESTED MATERIALS/ RESOURCES
<p>The music staff is comprised of 5 lines and 4 spaces.</p> <p>Music written in the treble clef reads as E, G, B, D, F for lines and F, A, C, E for spaces. Music written in the bass clef reads as G, B, D, F, A for lines and A, C, E, G.</p> <p>The grand staff is the unification of the treble and bass clefs, demonstrating their relationship to one another.</p> <p>Ledger lines temporarily extend the staff to notate pitches outside the ordinary ranges of clefs.</p> <p>A flat sign lowers a pitch to the very next note to the left on the musical keyboard.</p>	<p>Create musical staves.</p> <p>Copy treble and bass clefs on musical staves.</p> <p>Identify pitches on the musical staff in treble and bass clef. Draw pitches on the musical staff in treble and bass clef.</p> <p>Create the grand staff. Name pitches that use ledger lines relative to treble and bass clefs. Place pitches using ledger lines relative to treble and bass clefs.</p> <p>Identify flat notes on a musical keyboard given the notation.</p> <p>Draw notation using flat signs given pitches on the musical keyboard.</p>	<p>Write and create music staves with treble and bass clefs</p> <p>Correctly identify and notate pitches on the staff in treble and bass clef</p> <p>Write and create the grand staff</p> <p>Correctly identify and notate using ledger lines in bass and treble clef</p> <p>Correctly create notation using flat, sharp, and natural signs in notation in relation to the keyboard</p>	<p>MU:Cr1.1.C.HSI</p> <p>MU:Cr2.1.C.HSI</p> <p>MU:Cr3.1.C.HSI</p> <p>MU:Cr3.2.C.HSI</p>	<p><u>Textbooks:</u></p> <p>Alfred's Essentials of Music Theory. Surmani, et al</p> <p>Alfred's Essentials of Music Theory Teacher's Activity Kit</p> <p>The Complete Musician: An Integrated Approach to Tonal Theory, Analysis, and Listening. Stephen G. Laitz</p> <p>McGraw Hill, Music In Theory and Practice Tonal Harmony. Kostka, Payne, Allman</p> <p><u>Web Resources:</u></p> <p>Teoria.com</p> <p>Musictheory.net</p> <p>Emusictheory.com</p> <p>ToneSavvy.com</p> <p><u>Supplemental Materials</u></p> <p>Alfred's Essentials of Music Theory Note Naming Flash Cards. Surmani et al</p>

<p>A sharp sign raises a pitch to the very next note to the right on the right on the musical keyboard.</p> <p>A natural sign cancels a previous sharp or flat.</p>	<p>Identify sharp notes on a musical keyboard or primary instrument given the notation.</p> <p>Draw notation using sharp signs given pitches on the musical keyboard.</p> <p>Recognize notated pitches as flat, sharp, or natural when they follow accidentals.</p>
