**SUBJECT: TITLE I PARENT INVOLVEMENT POLICY**

The Board of Education recognizes the rights of parents/persons in parental relation to be fully informed of all information relevant to their children, including children who participate in programs and projects funded by Title I. Therefore, the Board of Education encourages the participation of parents of students eligible for Title I services in all aspects of their child's education, including the development and implementation of district programs, as well as activities and procedures that are designed to carry out No Child Left Behind (NCLB) parent involvement goals.

**District-Wide Parent Involvement Policy**

In order to facilitate parental participation, in accordance with NCLB requirements, as outlined in the Elementary and Secondary Education Act Section 6318(a)(2), the District will:

- a) Involve parents in the joint development of the Title I Plan. If the plan is not satisfactory to the parents of children participating in Title I programs, the District will submit any parent comments to the State Education Department along with the District's plan;
- b) Provide the coordination, technical assistance, and support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance;
- c) Build the schools' and parents' capacity for strong parental involvement through implementing and encouraging participation in appropriate parental involvement activities; such as promoting opportunities to volunteer and participate in school activities and involvement in parent education groups, a District-wide Parent Committee or representation on Code of Conduct and the Safe Schools Committee.
- d) Coordinate and integrate parental involvement strategies under Title I with those of other programs including, but not limited to, the Headstart Program, the Reading First Program, Even Start Program, Parent Resource Centers and other programs; Focus on Families, and EPIC.
- e) Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the Title I schools. The evaluation shall include identifying barriers to greater participation by parents in activities under the policy and use the findings of the evaluation to design strategies for more effective parental involvement and, to revise, if necessary, the parental involvement policies at the District and school levels; Formal Parent-Teacher Conferences are held twice annually.
- f) Involve parents in the activities of the Title I schools; Parental involvement at home is facilitated by monthly newsletters from each school; parent packets for academic support to students, *Our Schools* newspaper delivered to each home monthly with all the important news of the District, and a weekly cable access program on local television that shares school District information vital to all parents.

**School-Level Parent Involvement Policy**

In accordance with Section 6318(c), the Board of Education directs each school receiving Title I funds to ensure that a building level parental involvement plan is developed with the participation of that school's parents. In addition to the goals stated above, each school building level plan will describe the details to:

All parents of children participating in Title I programs will be invited and encouraged to attend the meeting;

- e) Develop a school-parent compact jointly with parents that outline how the parents, school staff and students will share the responsibility for improved student academic achievement and detail the means by which the school and parents will build and develop a partnership to help all children achieve the state's standards.
