

Parents & Guardians of the 79th Street School Family,

*We are very interested in the perspective of our families as an important part of our annual planning. Our family/school relationship and partnership are central to our students' success. In order to gain your input for our annual planning, we are providing our families with a link to **The Family Engagement Survey**. The link is:*

Passwords will be distributed electronically via teachers on the Class Dojo app.

*The survey will be open until **Wednesday May 12th**. It is very easy to complete. Just click on the link and enter the password. All survey responses are anonymous and participants are not identified. Staff and students will be completing similar surveys which will allow us to have a comprehensive data base for planning purposes.*

We have selected PLC Associates, Inc. to administer the surveys. PLC Associates, Inc. has worked with hundreds of schools and is a certified provider of these instruments by the New York State Department of Education.

We appreciate your assistance in completing this important survey. If there are questions or need for clarifications, please contact us at 278-7900.

Parents are such an integral part of what we do and we are grateful for our families taking the time to respond. We look forward to your input.

Thank you!
