

79th Street Elementary School Counseling Plan

PreK-6

Direct Student Services

School Counselor Core Curriculum

- The School Counselor meets monthly with each classroom to teach lessons that will help students be successful in and out of the school environment and provide all students with the knowledge and skills appropriate for their developmental level.

Individual Counseling

- School Counselors meet one on one with students to develop goals and deal with issues that he/she may have so that they can be successful in the classroom.

Group Counseling

- School Counselors work with small groups to address and work on shared or similar needs.

Character Education

- School Counselors will address/teach character education to enhance students' ability to be well-rounded students.

Topics may include but are not limited to:

- Anger management
- Coping skills
- Friendship skills
- Hygiene
- Grief/loss
- Good touch/bad touch
- Internet safety
- Mindfulness
- Social Skills
- Character education
- Career awareness
- Feelings
- Decision making
- Positive choices

- Study/organizational skills
- Bullying
- Dignity Act
- Digital Citizenship
- Self-awareness
- Acceptance of self and others
- Safety

Responsive Services

Individual Counseling

- School Counselors work directly with students, families and support staff on deescalating or dealing with personal issues that arise both in school and in their personal lives that prevent them from being academically and/or socially/emotionally successful.

Small Groups

- School Counselors include all parties that are involved in a crisis to deescalate, foster sharing, differentiate between each other's perceptions, and provide support.

Crisis Response

- School Counselors provide prevention and interventions. This counseling is short term in nature addressing a particular student issue.
- School Counselors, as mandated reporters, will hotline any suspected risk or concern.
- School Counselors will assist with CPS, Law Guardians, Truancy Officers, and other community outside agencies on an as needed basis.
- School Counselors call and work with Crisis Services for students and families that are in crisis.

Home visits

- School counselors, with the assistance of another staff member, will conduct home visits on an as needed basis.

System Support Services

Referrals to and liaisons for Community Agencies

- Refer out for mental health counseling
- Meet with CPS

- Meet with law guardians
- Refer families to agencies for domestic violence, food, clothing, shelter and help
- Work with community agencies in the building ie. Berkshire, Gateway, Focus on Families.
- Work with community agencies outside the building ie. Food Bank, holiday help, and other donations.

Student Support Team Member

- Attend meetings ie. START, support team meetings

Attendance Team Member

- Attend meetings
- Share information and data
- Fulfill team duty which could include making phone calls, monitor attendance, send letters, conduct home visits, set up parent meetings, refer to truant officer and facilitate CPS call if necessary

Assist with or create behavior plans

- Assist with creating Tier 2 plan for behavior issues, as needed, using two behaviors and what the desired outcomes would be

Goal 1: Provide students with access to supports that promote positive social-emotional learning and strategies for good mental health.

Target Population: All students Grades Pre-K to 6.

Expected Outcomes:

- Students will understand available resources and how to utilize them.
- Students will learn how to self-monitor, know when to ask for help and work toward solving his/her own problems.
- Students will accept and respect their own uniqueness and others as a result of learning, growth, and individual, group and classroom lessons and meetings.

Evaluation:

- Completion of individual goals.
- Counseling log

- If applicable: increased compliance with Tier 2 behavior plans.
- End of the year district survey.
- Counseling core curriculum lesson calendar with a variety of topics.
