2024-2025 SUPPLY LIST

Welcome to the new school year! We know that many families are eager to purchase school supplies early in August, so we provide this supply list as a guideline. Purchasing items off of the General Supply List will help you get started for school but please know that individual teachers will have specific requests and systems of organization that they will share in late August/early September.

Please note that if you are unable to purchase supplies, our staff will be flexible and help your student once the school year starts. You may also email Ramona Sims (rsims@nfschools.net) for assistance with school supplies.

Thank you for helping your student come to NFHS prepared to learn!

General Supply List

- Pencils
- Pens
- Two-pocket folders, notebooks, and/or binders (depending on teacher/student preference)
- Highlighters
- Loose leaf paper

In addition to the general supply list, if your student is enrolled in any of the following courses, these supplies are needed.

Additional Supply List

- Items individual teachers request the first week of school.
- PE – Sneakers, shorts/sweatpants, tee shirt/sweatshirt, bathing suit and towel
- Sketchbook (depending on the art class/teacher)
- Calculator (depending on the math class/teacher)

School-Issued Laptops

Laptops will be provided in each classroom for use during the school day. Students wishing to borrow a school laptop for use at home during the school year may receive a pass to the Main Office to sign one out at any time during the year. Students may also purchase their own laptops/tablets for use at home but these should not be brought to school.
