

PASCUZZI DIVERSITY IN LAW SCHOLARSHIP
DEADLINE MAY 1, 2026

Please email all complete applications to ashleypascuzzi@gmail.com

This \$500.00 scholarship will be awarded to one (1) minority student, who has expressed interest in entering the legal field in any capacity.

As a female attorney, I understand how beneficial it is for minority representation in the legal field. It is important to me to see a continued wave of minorities from our society entering these positions. Encouraging our minority youth to pursue a career in the law supports that vision, and will provide for a more well-rounded legal system.

- 2 letters of recommendation
