

## Headline: Abate School Supplies 2020-2021

Dear Parents/Guardians,

Due to your overwhelming generosity on our 2019-2020 Fund-raising efforts, we are in the process of purchasing the basic school supplies that the students, in each grade level, will need to start the 2020-2021 school year.

Therefore, at this time, we **will not** be posting a grade level specific classroom supply lists. However, personal items to purchase for your student would include:

- Backpack
- Face covering/mask that your child is comfortable wearing that is washable/reusable \* **ALL children will be required to wear a Face covering on the bus and in school**
- 1 Plastic take home folder
- 1 box of Kleenex for personal use
- Grade 6 only: 1 package of binder dividers with pockets

Optional:

- 1 Reusable water bottle that is clearly labelled for personal use
- **Grades 2 and 3 only:** 1 set of Earbuds or Headphones

We will be certain to share new information as it becomes available. Thank you for your continued support and patience with this process.

**Please note:** The need for these supplies is dependent upon the opening of school in a hybrid, or full-attendance model.
