

Steps for Logging into Investigations (Math)

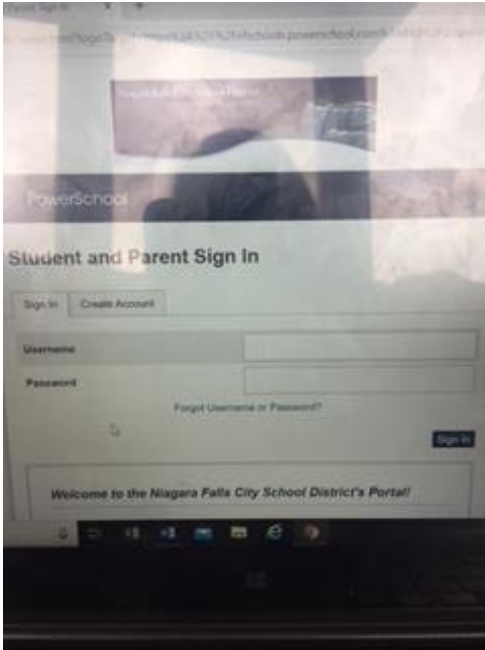

1. Go to the NFCSD Symbaloo page. Click on the Pearson Realize icon.

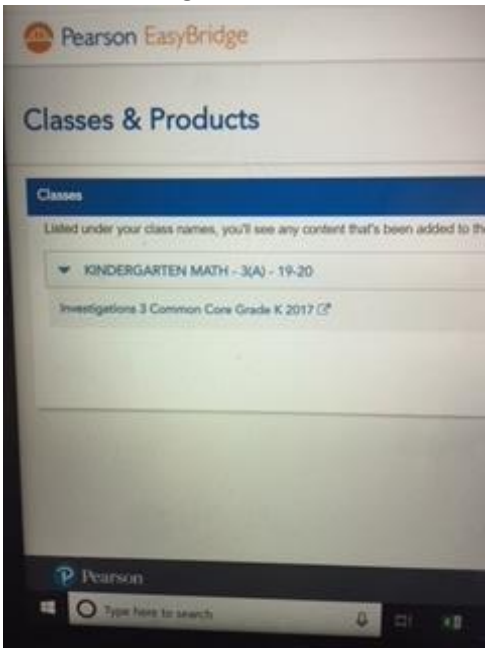

2. Click Sign in as a Student.

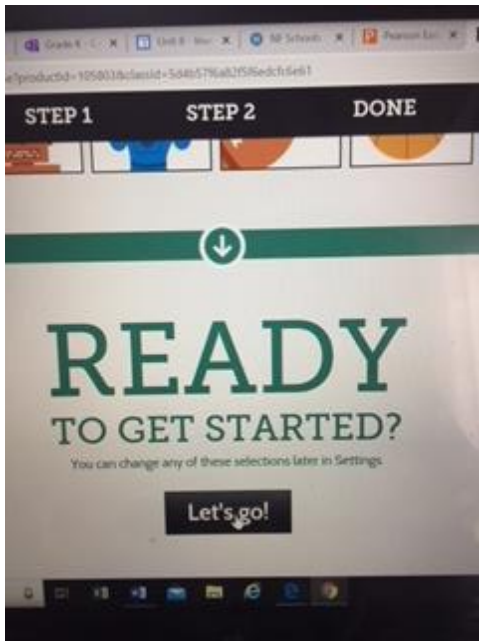

3. Type in Username and Password. Username is usually first initial and last name (but use the one sent to you by Mrs. Clyde) and password is student number (5-digit number which can be found on your child's report card).

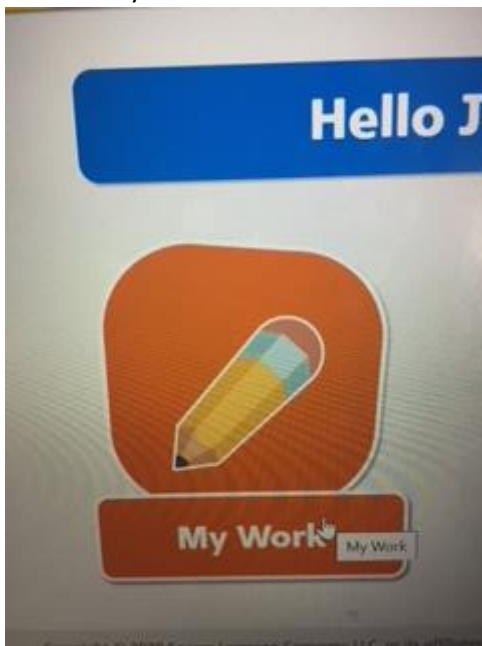

4. Click on Investigations 3 Common Core Grade K 2017.

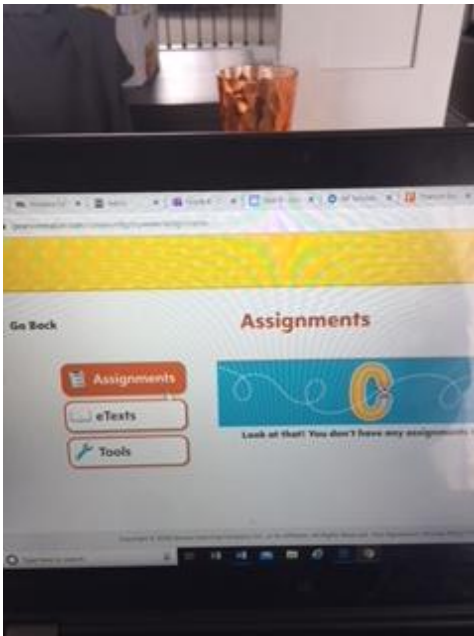

5. Scroll down and click Let's Go!

6. Click on My Work.

7. Click on Assignments.

8. Assignments for the week will be listed here. Each day there will be one or two new activities to do. Click on Get Started to complete the assignments for the day.
