

Story Problem of the Day

Directions: Complete each problem in a notebook or on a sheet of paper. Use drawings and pictures to **show your work!**

Monday

There are 6 chickens. 4 chickens went into the barn. How many chickens are left?
_____ chickens

Tuesday

Place 1 slice of onion on a burger. Add 2 lettuce leaves on top of the onion.
Put 2 slices of tomato on top of the lettuce. How many items are there altogether on top of the burger?

Wednesday

Put 1 bun on the dish. Put 2 hamburger patties on the bun. Add 1 tomato slice and 1 lettuce leaf on top of the burger. Place 1 bun on top. How many parts to the hamburger are there altogether?

Thursday

This hamburger already has a bunch of stuff on it, but its not the way you want it. The hamburger has 5 lettuce leaves on it, but you only want 2. How much less lettuce do you need?

Friday

Another hamburger is already made. It has 1 slice of tomato but you want 6 slices of tomato. How many more slices of tomato do you need?
