Dean of Students

Parent Compact 2017-2018 Please sign and return school.

At Henry J. Kalfas Magnet School...

We will be child centered and with the support of families effectively communicate high expectations for students and staff.

We will create an instructional environment that has realistic measurable goals and utilizes approaches that are developmentally appropriate and differentiated to meet the needs of every student.

We will foster an environment that is physically, intellectually and emotionally safe.

We will with the support of family and mentors develop learners that are self-disciplined, engaged and respectful to others.

We will build positive relationships, demonstrate respect and work together toward common goals through effective communication with co-workers, students, parents and the community.

We will remain positive, approachable, supportive, visibly present and involved.

Principal Signature 

Date September 7, 2017

With your involvement and support we will ensure that Kalfas Magnet School continues to be a positive and secure place for your child to learn, work, and grow.

As a parent or guardian I agree to:

- ensure that my child regularly attends school, rested and ready to learn
- support my child's appropriate school behavior and appropriate dress (daily school uniform)
- reinforce my child's completion of all assigned work, in school and at home
- communicate with my child's teacher about my child's needs and attend conferences and other meetings relevant to my child's education
