

# Mrs. Spanbauer, Mr. Ceretto Business Marketing, Mod 12

Students please continue to research the Business Marketing topics that we have discussed in class. You may also pick a different topic if it relates to Business Marketing. You may research your topic using the internet or be creative and find other resources. Please compile your research in a Power Point presentation with a minimum of 10 slides on the Business Marketing topic that you have chosen. You may also make a Kahoot! Quiz If you do not have access to a computer, you may also write about your topic. Try and achieve one Business Marketing presentation per week. Be prepared to present your topic when we return to class. When preparing your project, please keep in mind the rubrics that we have been using in class.

Stay well and safe,

Mrs. Spanbauer

Mr. Ceretto
