

* Use Periodic Table & Table E if needed
to find oxidation numbers.

Assigning oxidation numbers

Name _____

Determine the oxidation states for each atom present in the given formulas.

Cl = _____

Cl = _____

Na = _____

Na = _____

K = _____

Cl = _____

H = _____

S = _____

Ca = _____

O = _____

H = _____

S = _____

O = _____

N = _____

O = _____

Cr = _____

O = _____

N = _____

H = _____

Cl = _____

N = _____

O = _____

N = _____

H = _____

Na = _____

O = _____

Ca = _____

H = _____
