**HANDWRITING AND LETTER SOUND PRACTICE  
FOR EVERY LETTER OF THE ALPHABET**

Thank you for purchasing our product. If you have any questions, please e-mail us at [kinderbrations@gmail.com](mailto:kinderbrations@gmail.com).

We use these handwriting practice pages in a variety of ways. For example,

- to explicitly teach the correct letter formation with a document camera whole group, or in a small group, and/or even one-on-one when necessary.
- to practice and maintain letter writing skills.
- as homework sheets or as independent practice sheets.

The animal pictures up in the corner correspond with our mnemonic ABC cards. We use the ABC cards along with a song and hand movements that we created to teach the letter names and sounds. Click [HERE](#) to check them out!

To print these pages, select "actual size" under page sizing on the print screen.

Thank you!

- Linda Ekstrom and Michelle Woods

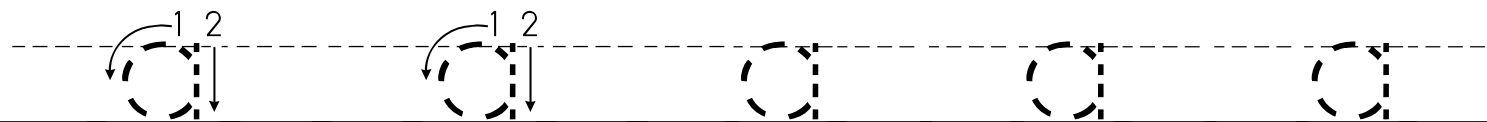

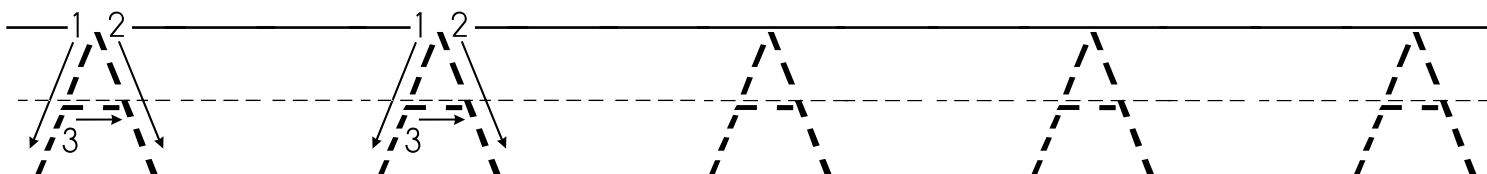

Name \_\_\_\_\_

# Aa

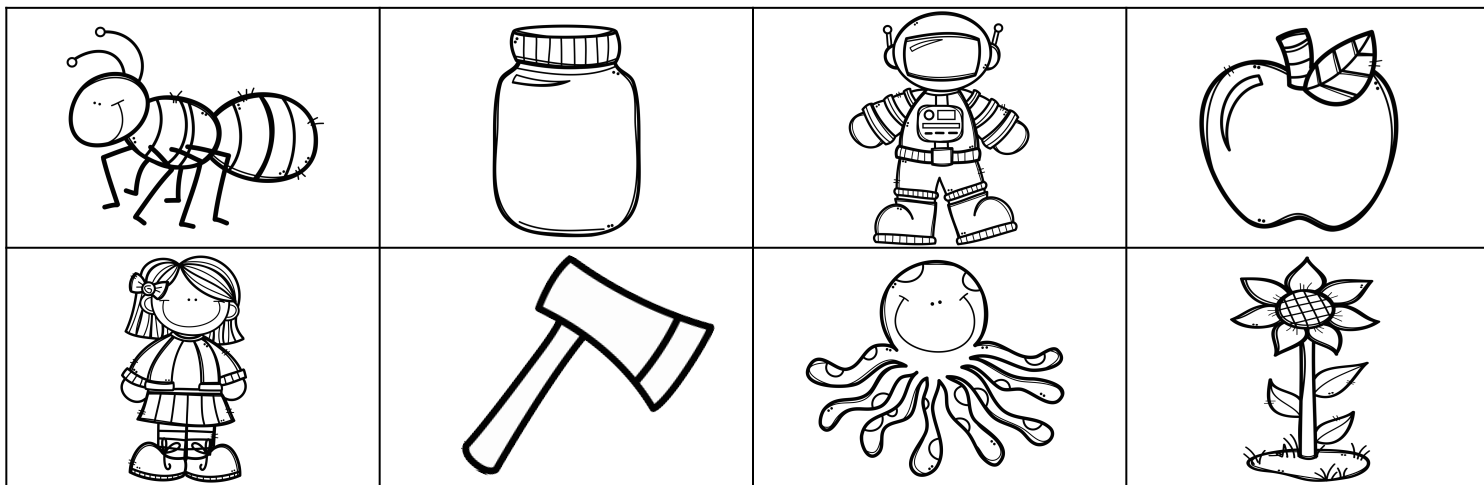

A is for alligator.

Directions: Trace each letter and write the letter on the blank lines. Start at the dot.

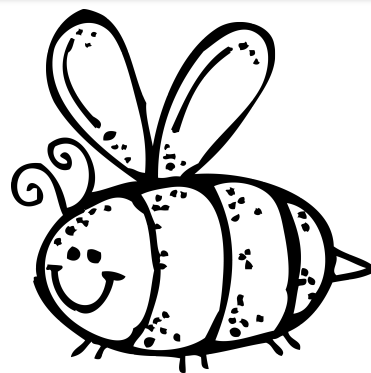

Directions: Color or circle each picture with the same beginning sound as alligator.

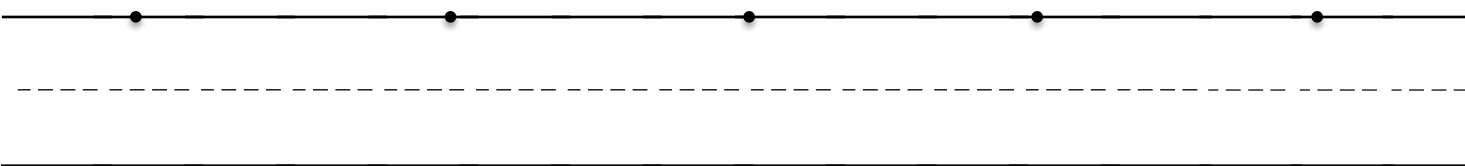

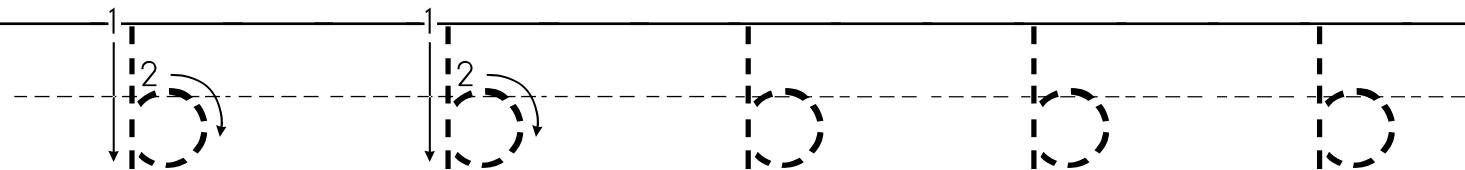

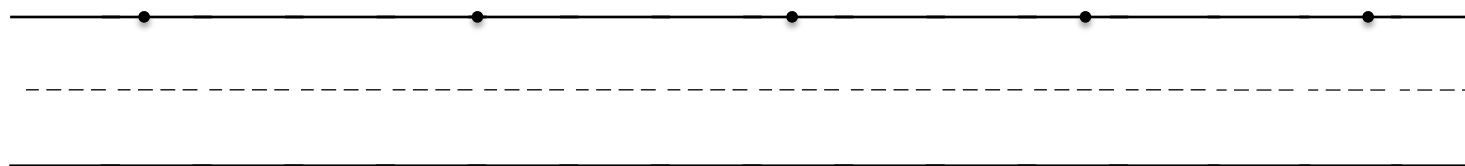

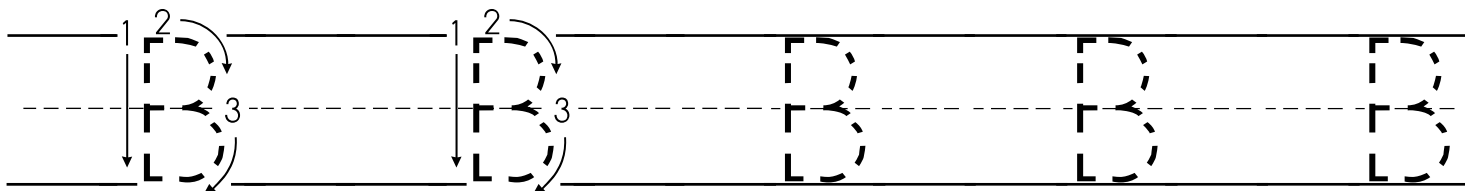

Name \_\_\_\_\_
