# Good Ideas

By Guy Belleranti

"Let's make the flowerbed look prettier," Heather said.

"Okay," Noah said. "How are we going to do that?"

"We can dig up the weeds," Heather said.

Noah nodded his head. "Good idea," he said.

They got to work.

"Wow," Noah said after a while. "We have dug up a lot of weeds."

"Yes," Heather said. "The flowerbed looks much prettier now."

"It sure does," Noah said. "Now let's go get a drink of water."

"Good idea," Heather said.

They sat at the kitchen table.

Heather drank some of her water. Then she set her glass down.

"Now let's make the kitchen look prettier."

"Okay," Noah said. "I have a good idea how." Noah told Heather his idea.

Heather laughed. "That was my idea, too. Let's tell Mom."

Mom smiled when she heard their idea. "Good idea," she said.

So Heather and Noah cut some flowers from the garden. Then, they put the flowers in a vase on the kitchen table!
