sitting. We can see four
birds sitting on a branch.

The four birds look happy. The four birds look happy on the branch. The four birds look happy on the branch in the tree.

Dr. Joseph F. Lockavitch, a former classroom teacher, school psychologist, university professor and special education director, is the author and developer of: The Failure Free Reading Program, Don't Close the Book on Your Not-Yet Readers, Verbal Master – an accelerated Vocabulary Program, and The Test of Lateral Awareness and Directionality.

He is the author of dozens of published articles. His most recent research can be found in the Australian Journal of Learning Disabilities, the Journal of Learning Disabilities, Special Services in the Schools, The Journal of At-Risk Issues, and the Florida Reading Quarterly.

Listed in Outstanding Teachers in Exceptional Education, Who's Who in American Education and Who's Who in the South and Southwest, Dr. Lockavitch has spent the last thirty years training teachers, parents, and administrators across the nation on how to meet the unique problems of America's 'bottom of the bottom' students.

Dr. Lockavitch holds a Doctorate of Education from Boston University and a Master of Science in Special Education from Southern Connecticut State University in New Haven, Connecticut.
