“Making the Journey”

Question & Answer Lesson I

**Answer the questions below using complete sentences.
Use the passage for help.**

I am aboard the passenger car ready to start this afternoon's adventure. The conductor announces to everybody that the train is about to begin on our journey. He also said the journey will contain some danger, but there was no reason to fear for our safety.

1. What is the person about to start?

2. What is the conductor's job?

3. How do you think the person feels about starting this journey?
