

MULTISYSTEMIC THERAPY (MST) PROGRAM

Do you have a child, ages 12-17, who:

- Refuses to go to school or is failing?
- Struggles to follow rules at home or at school?
- Gets into trouble with their friends?
- Uses drugs or alcohol?
- Acts aggressively with others?
- Leaves your home or other places without permission?

If the answer is YES to any of these questions or others like them, MST may be able to help!

**MST is an
