Please note that school begins at 8:45 a.m. and ends at 2:45 p.m. It is very important that your child is here on time every day. We want to teach them that school is important and that we value education.

Please do not hesitate to call if you have any questions.

All children receive free breakfasts and lunches. Please look at the calendar that is sent home at the beginning of each month. If there is a lunch that your child does not like and will not eat, please send in a lunch for them on that day. We do not want anyone to be hungry.

Please be sure to arrange for a sitter when your child is ill. They should not be sent to school for 24 hours after vomiting or diarrhea and should be fever-free **without medication** for 24 hours before returning to school. We will strictly adhere to this for everyone's health.
