

MAMMA MIA! - VOCAL REHEARSAL SCHEDULE (*as of September 15, 2025*)

The following is the outline for the “teaching” vocal rehearsals for the run of the show. Please make every effort to be at these rehearsals as our time is tight in order to keep your initial time commitment to a minimum. Please do not just not show up when it is your time to have rehearsal. This puts us behind schedule tremendously. Some songs say ensemble and some say men/women. Those both mean ensemble, it is just the wording in the score (I didn’t write it! 😊). Also, due to the limited number of males in the show, I am encouraging male leads to sing to fill out the ensemble when they are not on stage doing their own part.

All vocal rehearsals listed on this page are scheduled to take place in the Chorus Room (282). If there is a change, you will be notified or there will be a sign on the door as you come in. Please enter through door 2. After the start of rehearsal, you must enter through Door 2 from 5:30pm to 7pm. After 7pm, you must enter at Door 3 unless directed otherwise.

You will notice that the schedule is fairly ambitious with one review/sing on September 23 and then a whole show sing through on October 7. I have tried to group these songs so that you will not need to be hanging around unnecessarily. My expectation is that when you come to rehearsal, that you have previewed your score with the soundtrack and know the songs well, although not necessarily your specific part. For your reference, the London Cast Recording is available on most streaming platforms and is available through Amazon as well. DO NOT use the movie soundtrack as some of the arrangements are different and in different keys. If you have any questions, please e-mail me at tvitello@nfschools.net or text me at 716-304-6700.

Thank you,
