6th, 7th , and 8th Grades

Safe Online Talk (6-8)

Unit: Safety

Students reflect on the benefits and potential risks of online talk and messaging. They learn how to recognize inappropriate talk or questionable behavior online.

Strong Passwords (6-8)

Unit: Security

How can a secure password help you protect your private information? Students learn how to create secure passwords to protect their private information and accounts online.

Trillion Dollar Footprint (6-8)

Unit: Privacy and Digital Footprints

What is a digital footprint, and what does yours convey? Students learn that they have a digital footprint with information that can be searched and sent on to a huge audience.

Cyberbullying: Crossing the Line (6-8)

Unit: Connected Culture

Students learn to distinguish teasing from cyberbullying and learn about its serious forms, including harassment, deception, "flaming," and threats to safety.

Which Me Should I Be? (6-8)

Unit: Self-Expression and Identity

What are the benefits and risks of presenting yourself in different ways online? Students learn that presenting themselves in different ways online carries both benefits and risks.
