STUDENT AGREEMENT

The Niagara Falls City School District has a comprehensive Acceptable Use Policy and Student Computer Use Agreement which includes care of the laptop computers. This policy will be reviewed with students in training. A full version of the Acceptable Use Policy can be viewed from the District web site, www.nfschools.net.

Students will be bound by the terms and conditions of the Acceptable Use Policy and Student Computer Use Agreement and will also be bound by the terms and conditions of the software (computer programs) they use. The installation of games and non-educational materials is prohibited.

Each student is responsible for the care of his or her computer. The computer must be kept in full working conditions and, if necessary, must be returned to Niagara Falls High School for repairs. If it is determined that damage was intentional beyond normal wear and tear, (see list on back) the student will be required to pay to have the laptop and/or the part(s) repaired or replaced as per the Policy.
