

SCHOOL DISTRICT AGREEMENT FOR STUDENT USE OF DISTRICT COMPUTERIZED INFORMATION RESOURCES

In consideration for the use of the School District's Computer System (DCS), I agree that I have been provided with a copy of the District's policy on **Student Use of Computerized Information Resources** and the regulations established in connection with that policy. I agree to adhere to the policy and the regulations and to any changes or additions later adopted by the District. I also agree to adhere to related policies published in the Student Handbook.

I understand that failure to comply with these policies and regulations may result in the loss of my access to the DCS. Prior to suspension or revocation of access to the DCS, I will be afforded applicable due process rights. Such violation of District policy and regulations may also result in the imposition of discipline under the District's school conduct and discipline policy and the Code of Conduct. I further understand that the District reserves the right to pursue legal action against me if I willfully, maliciously or unlawfully damage or destroy property of the District. Further, the District may bring suit in civil court pursuant to General Obligations Law Section 3-112 against my parents or guardians if I willfully, maliciously, or unlawfully damage or destroy District property.

Passive Consent (Opt-out) Student access to the DCS will automatically be provided unless the parent has submitted written notification to the District that such access not be permitted. Procedures will be established to define the process by which parents may submit a written request to deny or rescind student use of the DCS in accordance with law, Commissioner's Regulations and/or District policies and procedures.
