Arrival Procedures, Dismissal Procedures and Early Pick-up Procedures

Arrival Procedures

The Main Door on 95th St (Door 1) is the only entrance for students in Grades 1 - 6. The South Door on 95th St (Door 4) is the only entrance for students in Kindergarten, Pre-K 3 & Pre-K 4. Please plan to have your child arrive at school **no earlier than 8:30 a.m.** Stress to your child that under no circumstances are they to leave school property after they have arrived. **There is no supervision before 8:30 a.m. and students will need to wait outside.** In response to traffic congestion during arrival and dismissal, we ask you not to park and/or drop-off students in-between the new STOP Signs. Your cooperation will ensure that our students arrive and depart under the safest conditions possible. Please note that crossing the street in the middle of the block in front of the school is unsafe and during the winter months and periods of high traffic volume is even more dangerous. For this reason, students should only be dropped-off and picked-up on the east side of 95th Street near Door 1 and on the north side of the driveway near Door 4, eliminating the need for students to cross the street altogether.

Dismissal Procedures

For the safety of all students and to ensure an orderly dismissal, parents or guardians who are picking up their children must **wait outside** of the building. Any changes in your child's dismissal plan (i.e., if a child is being picked up rather than taking the bus) **requires a note be sent in to your child's teacher in morning, and before 3:00pm.**

- **Pre-K** Dismissal begins at 3:05 p.m. at Door 4
- **Bus Students** report to the Auditorium at 3:10 p.m.
- **Latchkey Students** report to the GYM at 3:10 p.m.
- **Kindergarten – 2nd Grade** dismissal begins at 3:15 p.m. at their respective doors.
- **Grades 3 – 6** dismissal begins at 3:17 p.m. at Door 1

Dismissal Doors (See the Graphic Above)

All Kindergarten & Pre-Kindergarten	South Driveway 95 th Street (Door 4)
All Students Grades 1 & 2	East Driveway Rear (Door 3)
All Students in Grades 3 – 6	Main Door on 95 th Street (Door 1)
If you have children in more than one grade level, please contact your child's teacher to arrange a common pick-up point.	

Early Pick-up Procedures (New)

Classroom instruction continues right up until dismissal each day. Be aware that students dismissed early from school miss valuable instructional time. Whenever possible, appointments should be made after school hours.

Please send in a note to your child on the day of the appointment stating the early pick-up time, the reason for early dismissal, and the name of the adult picking your child up. The adult picking up your child will be required to sign your child out in the Main Office, as well as provide identification.

Due to dismissal procedures, we will not be able to process requests for early pick-up after 3:00pm.

Arrangements MUST be made to pick-up your child before 3:00pm each day.

- Requests for early pick-up should be submitted to the teacher, in writing, on the morning of the requested day and time. The requested time must be between 9:30am – 3:00pm.
- Please do not make requests for early pick-up via the telephone, especially after 3:00pm.

Latchkey Programs

If you need before and/or after school care for your child, please contact the Niagara Falls Boys and Girls Club at 282-7181.

Student Information Changes

Student information is confidential and is kept on file in the school office. **Please notify the office immediately of any change in address, telephone numbers, emergency contacts or custody.** When moving, the office must be notified as soon as possible. For the safety and protection of your child, copies of any legal documents regarding custody must be forwarded to the school office.

Visitors to the School

1. To ensure the safety and security of our students and staff **ALL VISITORS MUST HAVE AN APPOINTMENT AND MUST SIGN IN AT THE MAIN OFFICE.**
2. **A DRIVER'S LISENCE or PHOTO ID WILL BE REQUIRED TO RECEIVE A VISITOR PASS.**
3. **All visitors are required to use Door 1 on 95th Street.**

Please note:

- Access to the Main Office is restricted with the addition of the Secured Vestibule.
- Classrooms will not be interrupted during the instructional day.
- Due to dismissal procedures, we will not be able to honor requests for early dismissal between 3:01pm-3:20pm each day.
 - Requests for early dismissal should be submitted to the teacher, in writing, on the morning of the requested day and time.
 - The requested time must be between 9:30am – 3:00pm.
 - Please do not make requests for early dismissal via the telephone.

School Closing Information

If school must be closed or delayed due to inclement weather or other emergencies, parents will be notified in the early morning or the evening before by the automated phone system, social media, radio and television announcements.

Delayed Start

The Superintendent of Schools may delay the start of the school day to allow time for weather or for school conditions to change so that student attendance is possible. A delayed start to the school day may, for example, allow temperatures to rise in the morning and/or allow more time for roads, sidewalks and parking lots to be cleared.

With a delayed start, the school day at Geraldine J. Mann Elementary School will begin at 10:45 am. The school will offer breakfast to students, lunches will be served as usual, and dismissals will occur at the regularly scheduled time.

Social Media

Please visit our website available via the Geraldine J Mann link at www.nfschools.net and access an increasing amount of parent and community information on:

Facebook: www.facebook.com/GJMANNNF

Many of our teachers employ the Remind and Classroom Dojo applications for family communication. If your child's teacher participates, please register!

Transportation

Eligibility for bus transportation is determined by the District Office of Student Services. Please inform the school in advance of any address change to ensure the continuity of bus services. Changes may take a few days. **If your child will not be taking the bus home, you must send in a note or contact the school office in advance. We will not rely on your child for information relating to changes in transportation.**

Buses arrive daily 8:30 - 8:45

Buses Depart daily at 3:20

****You will be directly notified by District Transportation of your child's bus stop and pick up time. Please discuss proper bus behavior with your child. Bus rules may vary slightly with each driver, but the basic rules of conduct are the same.**

- * Be at bus stop 10 minutes prior to scheduled pick up time
- * Wait until the bus comes to a full stop before getting on or off.
- * Obey the driver and aide at all times
- * Be respectful and courteous at all times
- * Sit in the seat and use quiet voices
- * Keep the bus neat and clean and keep any food in a lunch bag/box

It is extremely important that your child maintains respectful, responsible and safe behavior on the bus. **Poor conduct may result in the loss of bus privileges, meaning that you be responsible for getting your child to and from school on time.**

Pre-K Students must be accompanied by an adult at the bus stop. Drivers will not let a Pre-K student off at a bus stop unless an adult is present to receive the student. If there is no adult waiting for the Pre-K student at the stop, the student will be returned to the school.

Attendance Guidelines

Regular attendance is important for success in school. Please make every effort to have your child in school every day, rested and ready for work.

Two missed days a month adds up to being a half a year behind by the time your child reaches 4th grade.

And once a child falls behind, they rarely catch up.

Only illness, emergency or medical reasons should keep your child from attending school. New York State Education Law states that parents are responsible for their child's regular attendance and punctuality. A written excuse is required for all absences.

Legally Excused Absences	Illegal Unexcused Absence
Sickness or Quarantine	Visiting Relatives
Sickness or Death in Family	Vacation
Medical Appointments	Babysitting
Legal Appointments	Oversleeping/Missing the Bus

Tardiness is also a serious problem since work and assignments are missed. Please ensure that your child arrives at school on time, ready to work. Poor attendance and tardiness have been shown to hurt a child's ability to learn.

If your child is absent:

- Please call the school
- Send in a written excuse when your child returns
- Realize that an absence without a written excuse will be considered unexcused
- The school may contact you if your child develops a pattern of absence and in some cases may submit a referral to Niagara County Child Protective Services

If your child is late:

- He or she will need to report to the main office to check in
- Send in a written excuse that morning/day
- Realize that being tardy without a written excuse is considered unexcused
- The school may contact you if your child develops a pattern of tardiness and in some cases may submit a referral to Niagara County Child Protective Services

Parent-Teacher Communication

Children in Grades Pre-Kindergarten to Grade 6 will receive one copy of the report card, which will be mailed home three (3) times a year in December, March and June at the end of each trimester of school. If you have a question about the report card, please make an appointment with your child's teacher. Please make sure that the school has your most current address to ensure that you receive your child/children's report cards from school.

If you have any concerns about your child's education or wellbeing, don't hesitate to call his or her teacher at any time. Your call may be forwarded to the teacher's voicemail to avoid interrupting classroom instruction, but the teacher will return your call.

Homework

When given, homework reinforces the skills taught in the classroom each day. Please provide the time and a quiet place for your child to work. Make sure it's away from the television or other interruptions. Your child's teacher will notify you of the procedures you should follow in assisting with homework and returning the completed work.

In addition to homework, the best "work at home" you can do with your child is to read with him/her every day. Encourage curiosity in your child and take time daily to engage in conversation with your child about school activities.

If you would like to request work for your child (due to illness or legal absence) please call the Main Office at 278-7940 and we will forward the request to your child's teacher. The work will be ready the following day and may be picked up in the Main Office.

Literacy Instruction

All K-6 classrooms in the Niagara Falls City School District use a literacy workshop model incorporating the rich and challenging *Wonders Program* (K-5) and the interactive *Amplify Program* (Gr. 6). During a daily literacy block students develop good habits by focusing on phonics, fluency, vocabulary, and comprehension. These skills will help them become fluent readers and writers.

- The Literacy Block consists of:

Skill Development - where students learn phonemic awareness.

Reading - concentrating on language, vocabulary, comprehension, and fluency.

Writing - where students plan, edit, revise, and present their own writing.

All of our classrooms are organized around rituals and routines that keep students engaged and excited about their learning!

Mathematics Instruction

Mathematics instruction in the Niagara Falls City School District also takes place in a workshop setting. Through *iReady* (K-6), work and study are conducted in a variety of ways. Students work independently, cooperatively with a small group of students, and in collaboration with the whole class. Students reinforce their math skills by talking and thinking about it. Students compare solutions and give explanations. Students often self-identify errors by tracing their reasoning. Classroom routines define what is carried out each day and how it is carried out. Artifacts, objects and games are also provided to facilitate learning and create a rich learning environment.

English as a New Language (ENL)

The English as a New Language (ENL) Program at Geraldine J. Mann Elementary School helps to create a rich and supported learning environment for English language learners. Participating students receive daily integrated co-teaching and stand-alone instruction. The New York State English as a Second Language Achievement Test (NYSESLAT) is administered each spring to help design the instruction for the following year. G. J. Mann serves more than fifty (50) students who currently speak languages that include: *Spanish, Arabic, Chinese, Bengali, Urdu and Russian*.

Instrumental Music & Chorus

Students in Grades 4 – 6 are eligible to participate in the **Instrumental Music Program** and join the *Greatest Elementary School Band and Chorus in the World!* Students who own or have daily access to instruments may use them. For students who do not own a musical instrument, the district maintains a limited inventory. Students will be responsible for the instrument's care and may be required to purchase some supplies for the instrument. Once enrolled in the Band Program, small group lessons will be scheduled during the school day based on your child's instrument and level of experience. Expect your child to be assigned homework at each weekly lesson that includes at least 30 minutes of daily home practice. Your support in daily practice is extremely important.

Students in Grades 5 & 6 are eligible to participate in **Chorus** and join the *Greatest Elementary School Chorus in the World!* Chorus students participate in weekly rehearsals in anticipation of performances.

The School Band and Chorus perform at scheduled concerts and other school events. If you are interested in having your child participate in the **Instrumental Music Program or Chorus**, please call the Main Office at 278-7840.

Academic Enrichment Program

The Academic Enrichment Program has been established for students in Grade 2 – 6 who have demonstrated the need for a more challenging academic experience. Student records and standardized test results are evaluated to recommend students for the program. Testing begins in Grade 1 and re-evaluation is conducted in Grade 5.

The Academic Enrichment Program is designed to lead students to Advanced Placement and International Baccalaureate coursework in high school. For more information on the Academic Enrichment Program, contact the NFCSD Assessment Office at 286-4285.

Student Health Services

School Nurse – TBD Phone: 278-7942 FAX: 278-7946

Individual student health records must be kept for each child. These records show immunizations, the results of physical examinations and checks of hearing and vision. Children with specific conditions like allergies, Asthma and Diabetes should have these diagnoses recorded in their health record. **It is very important that the Nurse be informed of any student health conditions, in the event your child exhibits symptoms in school.** Please notify the nurse if your child contracts a contagious disease like Chicken Pox, Mumps, Measles, Whooping Cough, Scarlet Fever, Strep Throat, Lice, Scabies, Ringworm or Conjunctivitis.

Please keep your child home from school if they:

- have a fever of 100° F or greater
- exhibit significant cold or flu like symptoms including cough, loss of smell or taste, muscle aches or extreme fatigue

If your child becomes ill or injured in school, you will be notified and if necessary, requested to pick up your child. For this reason, it is important that we have your phone number and the phone number of an additional responsible person as an emergency contact on file.

Students who are ill or injured will not be permitted to take the school bus home.

If your child needs to take any medication during school hours, you must submit a **written request** to the Nurse accompanied by a **note** from your family physician indicating the name of the medication, the frequency and the dosage to be administered by the Nurse. These forms are available upon request. **All medications must be brought to the Nurse in its original container by the PARENT OR GUARDIAN.... NEVER BY A CHILD.**

Immunizations: All students must be immunized according to New York State Public Health Law.
STUDENTS NOT IMMUNIZED ACCORDING TO THE LAW CANNOT ENTER SCHOOL.

Student Physicals: New entrants in Pre-K or K and students in grades 2 & 4 must have a current physical examination. If your child is entering the District for the first time, a record of the physical examination must be returned to District Central Registration at 630 66th Street. If your child attended a Niagara Falls City School District school last year, the record of physical examination may be given to the School Nurse. In accordance with New York State law, the District Family Nurse Practitioner will provide physicals to students whose parent or guardian does not provide a record of a completed physical examination.

Physical Education Exclusion - If your child cannot take physical education for health reasons, please send a note to the nurse. If he or she cannot participate for two weeks or more, you must have a written doctor's excuse. In some cases of prolonged exclusion, a note from a doctor will be required in order to return to physical education.

January – Tolerance	June – Honesty

Thanks to our community business partners, when your child is observed being **Respectful, Responsible, Safe, and Bully Free** he or she may receive a reward ticket making him or her eligible for weekly prizes. Please discuss our reward program, **Monthly Character Traits**, and the **Discipline Policy** below with your child.

Discipline Policies

In addition to a system of rewards, consequences may be imposed in support of student self-control, and the development of individual responsibility. All discipline policies for the Niagara Falls City School District can be found in the **Niagara Falls City School District's Code of Conduct** which is available online at <https://www.nfschools.net>.

During the first week of school, students will learn a number of rules, rituals and routines in order to be successful at school. Students who have difficulty meeting these expectations will be given additional assistance which may include:

- ✓ Discussion with the student regarding rules, routines and expectations
- ✓ Removal of the student from the situation for a period of time (Timeouts)
 - Including from class, lunch, and recess.
- ✓ Parent contact and/or conferences
- ✓ Referral to the School Counselor or Principal
- ✓ The loss of school privileges or participation in extra-curricular activities
- ✓ Suspension from school in the event of serious or chronic behaviors

Bullying & Harassment - At Geraldine J Mann Elementary we strive to maintain a safe school environment. Bullying or harassment, in any form, is not tolerated. If you or your child feels that they or someone they know is a victim of bullying, it should be reported immediately to the closest school staff member.

Sexual Misconduct - The Board of Education is committed to safeguarding the rights of all students within the Niagara Falls City School District in an environment that is free from all forms of sexual misconduct including sexual harassment and abuse. This policy is explained to students in an age-appropriate manner during the first week of school. Students should report all incidents to a staff member with whom they are comfortable. Disciplinary action will be taken immediately to correct any incidents of misconduct.

Internet Use Guidelines

Access to the Internet allows students to share information, learn concepts, research projects and communicate with others. Although the Internet may contain material that is illegal, defamatory, inaccurate, or offensive to some people, the Niagara Falls City School District feels that the benefits to students from Internet access exceed any disadvantage.

In order to reasonably ensure that unauthorized exploration of the Internet does not occur:

- Your child will only be permitted Internet access in the presence of an adult
- Your child's internet access will require both you (parent/guardian) and your child to agree to the District's Acceptable Use Policy
- You may refuse to give permission for your child to have Internet access

A list of students who do not have authorization for access to the Internet will be given to each teacher and to the Library Media Center Associate.

Electronic Device Guidelines

The use of cell phones, electronic, multimedia, telecommunications, or imaging devices of any kind during school hours is unnecessary and prohibited. Each classroom is equipped with an outside phone should the need arise for your child to speak to you. Also, you may call the main office during school hours should you need to relay a message. If you wish your child to have a cell phone, please have your child understand that it **must be turned off and unseen in school**.

If your child is found to be using any electronic device the item will be confiscated, and you will be called to pick it up personally. Multiple offenses may result in further disciplinary action.
