

Algebra 1 Expectations Extended School Closure

First off, we hope you are doing well! While school is closed, you will be expected to work on the following Algebra 1 Regents exams to help you review. Your education is important and it is very important that you review on your own while school is not in session.

Materials

- Regents Review Book (given out at NFHS or use clickable links below).
- This Information sheet

Assignments

- Algebra 1 Regents Exam Review
 - In order to get the best out of this review you must **SHOW YOUR WORK** for **ALL** problems, **including multiple choice**.
- I have provided links to the exams and answer keys. I have also included, model responses and links to videos where you can find help to complete the exams.
- It is expected that you use the answers wisely. Do not simply go and get the answers. Try your best on the questions first, and then check your answers. If you did not get them correct, try them again.
- Use the videos to help determine how to complete the problems only if you are truly stuck.
- *Keep in mind that there are tasks on the exams that you will not be able to complete since we have not yet covered those chapters.

Additional

If school should be out longer than expected please visit

<https://www.emathinstruction.com/courses/common-core-algebra-i/>

- Complete the following lessons using the videos provided
 - Unit 5 – Systems of Linear Equations and Inequalities
 - Unit 10 – Statistics
 - Unit 11 – A Final Look at Functions and Modeling
