Please be sure you are using and checking your remind messages for AP government. Here is the code just in case you have logged out.

You should be using the AP Classroom site through your College Board account to complete progress checks and other practice for the exam.

Once a date is set for the online exam, I will communicate more details. What I know so far is that it will be online and 45 minutes only- It will cover units 1, 2 and 3 and will be short answer. There will be some college board YouTube videos established for review, which I will share when they are posted.

Be sure to check you emails that you have registered through turnitin.com for updates.

Remember to set some sort of routine each day, follow the political circumstances in the state, nation and world, get some fresh air, follow the social distancing rules, wash your hands often, sanitize and clean your phones, counter tops, door knobs etc., and STAY WELL !!

Miss all of you and our conversations.....See you all soon
