

# NFHS SCEP Summary

What are the commitments we will promote for 2022-23?

## Commitment 1

We commit to developing and organizing appropriate student data in order to identify and address the academic and social-emotional needs of all students.

## Commitment 2

We commit to fostering trusting relationships between students and adults and increasing relevance in school as it relates to their beliefs, interests and identities.

## Commitment 3

We commit to fostering a relevant, inclusive instructional learning environment that cultivates high expectations and rigorous, actively engaging instruction in order to support student growth and increase achievement for all students.
